

Facial Treatments

Customize Facial \$65

We use Glo Skin Beauty products and techniques to precisely fit your skincare concerns. We can address a variety of needs ranging from premature aging and environmental damage to acne flare-ups to a dull and patchy complexion.

Hydrafacial \$149 or 3 for \$360

The only hydradermabrasion procedure that combines cleansing, exfoliation, extraction, hydration and antioxidant protection simultaneously, resulting in clearer, more beautiful skin with no discomfort or downtime. The treatment is soothing, moisturizing, non-invasive and non-irritating. The energy delivered by the LEDs enhances cellular metabolism, accelerates the repair and replenishment of damaged skin cells, and stimulates the production of collagen.

Red light - reduces appearance of redness & decreases signs of aging.

Blue light - targets bacteria & improves the appearance of oily or congested skin.

Chemical Facial Peels from \$65 to \$150

Chemical peels smooth your skin by removing the damaged outer layers. The result is younger, smoother looking skin.

Dermaplaning \$55

Dermaplaning is a cosmetic procedure that removes the top layers of your skin. The procedure aims to remove fine wrinkles and deep acne scarring, as well as make the skin's surface look smooth.

Add on to any other service for \$40

Microdermabrasion \$100 or 5 for \$400

Microdermabrasion is a minimally invasive procedure used to renew overall skin tone and texture. It can improve the appearance of sun damage, wrinkles, fine lines, age spots, acne scarring, melasma, acne and acne scars, stretch marks and dull-looking skin complexion. *Add on to any other service for \$60*

BB Glow \$200 or 3 for \$480

BB Glow is an intensive semi-permanent skin treatment. The facial involves microneedling a pigmented vitamin serum into your skin. ... Good candidates include dull and uneven skin texture, freckles, hyperpigmentation, acne scars, age spots, sun spots, early aging and much more!
